

# UNIVERSITY PERFORMANCE SCHOLARSHIP PROGRAMME

2024/2025

Uddingston Hockey Club, along with our partners, strive to achieve excellence in all we do.

Uddingston Hockey Club introduced Performance Scholarships to support talented athletes and retain them in Scottish Hockey.

The scholarships cover education, finance, coaching, work placements, and potential long-term employment to help athletes focus on hockey and improve the domestic game quality in Scotland.

As well as a reputation for pathfinding excellence, at Uddingston we have a history of doing things differently and are passionate about supporting promising athletes during their time with us. We have three hockey scholarship packages as well as range of specialist options available.

Please see next page for the details of what each package includes. Please note any support services would be decided on a case by case basis with no values given here, as there are no barriers to support since every case will require specific services and tailored to suit the athlete.

## HOCKEY SCHOLARSHIP ELIGIBILITY

To be eligible for a hockey scholarship you must: be of national or international standard hockey player or show strong evidence of future outstanding potential. Be a UK resident or have a suitable visa to allow this while completing your education. International students welcome.

## HOCKEY SCHOLARSHIP PARTNERS

The club have brought together a large range of partners to help us offer various levels of support in the following areas:

- Higher and Further Education.
- Construction, Engineering and Architecture.
- Financial services, Banking, Legal industry, Accountancy,
- Hospitality, Service Industry and Hoteliers.

## NOTES

We have purposely not partnered with any individual University as we are open to reaching a wide a range of athletes. We are happy for students to remain within their BUCS Programme.
